"Reserved"

Dearest Sandra,

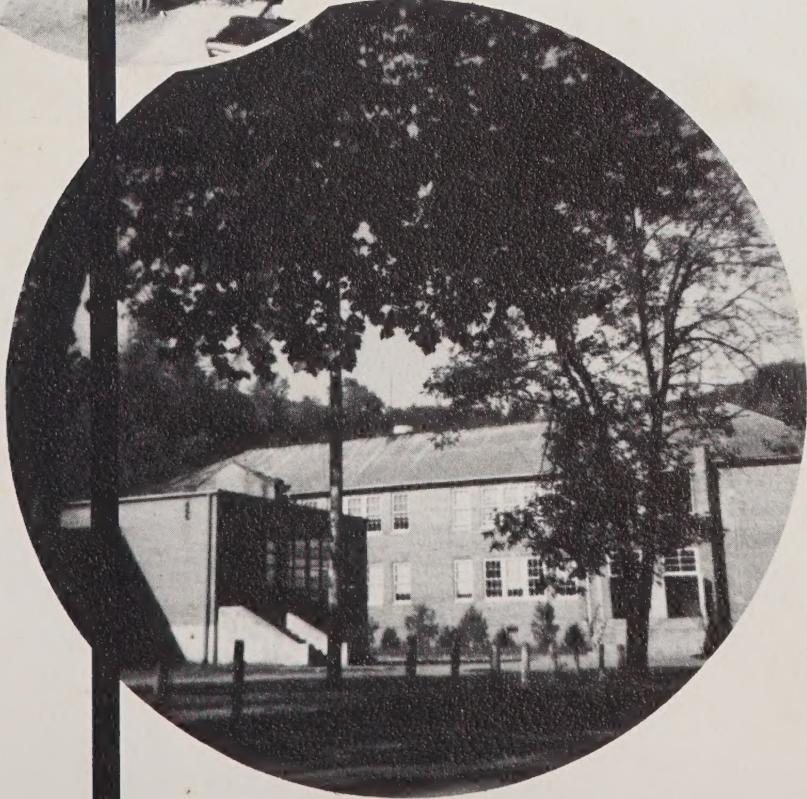

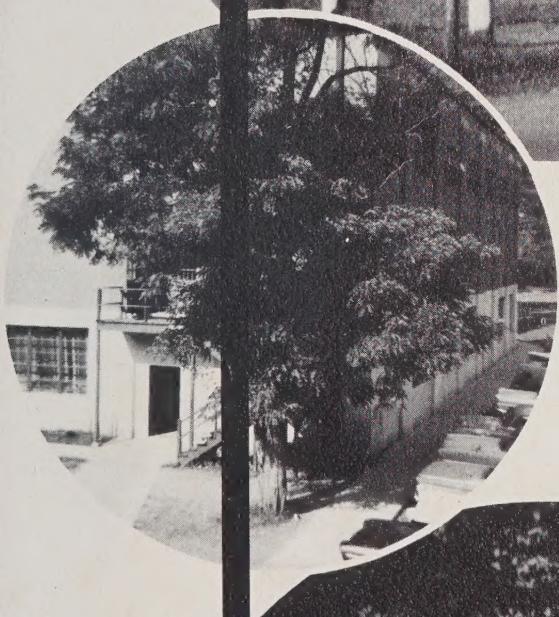

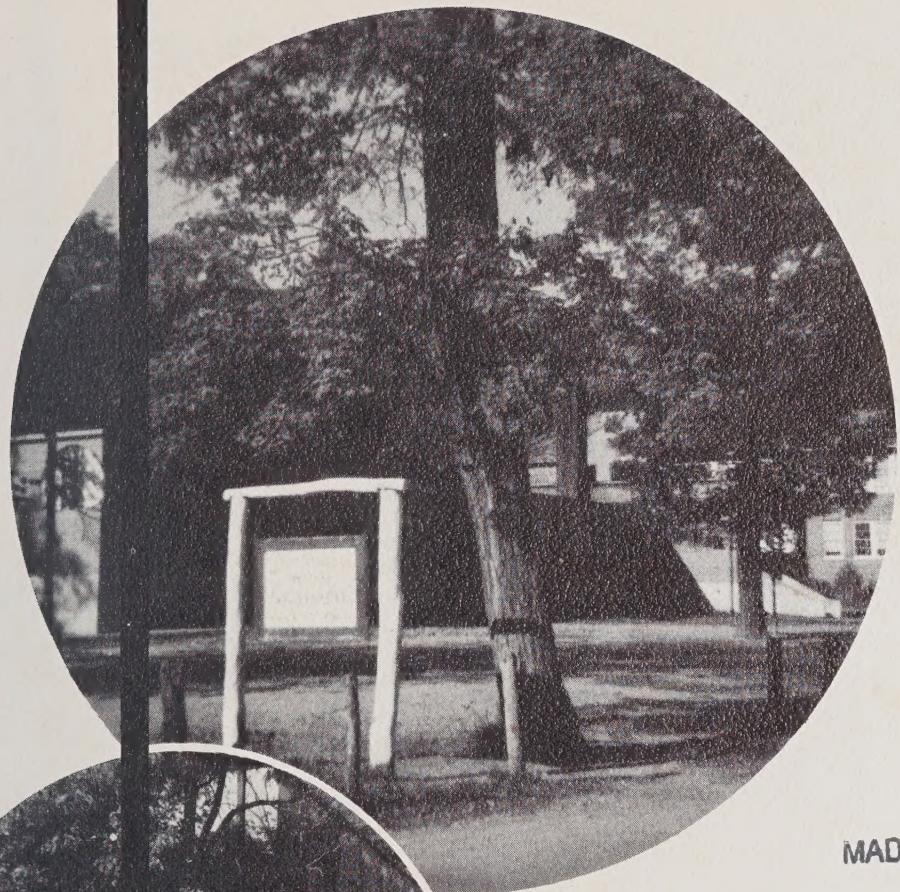

Words can't begin to express how much you have meant to me, especially these past two years. I'll never forget last summer when I was over at your house and you over at mine. Remember how we swapped blouses right in front of church? And when you and Alice and I went "swimming" in the mill run. Remember how the men down at the store were highly interested! Wonder why?

I'll never forget how we used to "bug" Mrs. Shupe in hone run. Never forgot Algebra II, Plane Geometry, Library Science, and French I and II. These were the jolly days. I guess George got a black eye one day, didn't he? I'll never forget you and what you have meant to me.

You are a very deserving person and I hope you always have the best of everything. May

God bless you always,

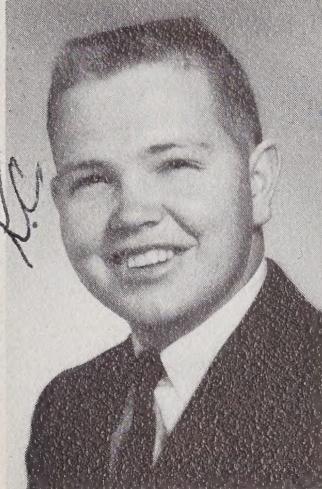

P.S. Remember especially the
Washington & New
York, and the
little incident which 'incident'?
Take your pick! Never forget me,
Mary Lynn West

Well it's almost over Sandra. - I guess we are spending our last week as a student at Marshall High. - I will miss you so much next year. We have been together the last three years in High School. You helped me so much in Algebra I or I might not have passed. We have had some bad classes together to. Mrs. Eure has tried to be good to us but I guess she just doesn't know how or maybe we won't let her be good to us.
